A FEW WORDS ABOUT YOUR MEMBERSHIP

ELIGIBILITY FOR MEMBERSHIP
Eligibility for the AARP Motoring Plan from GE Motor Club is limited to current members of AARP. The Motoring Plan coverage is not renewable if membership in AARP expires or is terminated.

The following AARP Motoring Plan Memberships are available:
• Road ‘N Tow, Standard or Premier Plans
• Individual member
• Member and spouse (or one other household member or AARP member living at the same address)
• Family Membership (up to 4 children, ages 16-25, living at home or full-time students)

Please call 1-800-732-8600 for information or to enroll.

AARP MOTORING PLAN PREMIER MEMBERSHIP*
Roadside Assistance covers the person named on the membership card regardless of the vehicle** the member is driving or riding in. It does not cover a member’s vehicle if the member is not present. In other words, coverage applies to the member and not a particular vehicle.

Roadside assistance is available throughout the US and Canada from GE Motor Club’s network of authorized servicers. Outside the US and Canada, use any convenient service facility and refer to the reimbursement procedure, “Reporting a Claim” on page 8.

Please note only limited roadside assistance is available to certain RV’s, trucks and dual wheeled vehicles (see “Types of Vehicles Covered”, page 7) although all other Plan benefits are available to members with these types of vehicles.

Members will not be required to pay any sums other than the membership fee for covered motoring plan benefits and services.

MEMBERSHIP CARDS
Your official membership card(s) are included with your membership kit*** (Family Membership cards are mailed separately). The member, member’s spouse (or other household member) and family members should sign their cards exactly as
on their driver’s license or personal ID. Membership cards should be carried at all times.

The Guaranteed Arrest Bond Certificate**** is on the back of the membership card. Hospital Emergency Room Bond cards are located at the bottom of your Card Carrier that is enclosed within your membership kit.

*Benefits and prices are subject to change and to terms and conditions of the membership manual.
**See page 7 - “Types of Vehicles Covered.”
***Will arrive about 10 days after your new membership application is processed.
****Not accepted in California and Colorado.

TERM OF MEMBERSHIP
Your membership begins on the day your application is processed by the GE Motor Club and continues through the last day of the expiration month. Motoring Plan services and benefits are available only while your membership is in force. Future annual dues will be billed prior to your expiration month at the then applicable rate. Your Motoring Plan membership will renew upon receipt of your payment, or you may elect automatic renewal through credit card payment.

Pursuant to Wisconsin state law, benefits and dues will not be changed without prior written notice to the member, and any changes will take effect on the member’s renewal or anniversary date.

CLAIMS POLICY
To maintain a high standard of service with fair and reasonable dues for all members, Roadside Assistance is limited to four (4) paid service claims per membership year.* These include jump start, flat tire, fuel delivery, winching/stuck vehicle, towing, lockout, lost key service and claim reimbursement. The GE Motor Club will notify you if this limit is reached.

If more than four (4) Roadside Assistance claims are needed during a membership year, GE Motor Club will continue to arrange dispatch service for your disabled vehicle. However, any resulting service charges must be paid at the time roadside service is rendered and are not reimbursable. Upon each anniversary of your membership enrollment, your service claims will be reset to zero.

*Couple Memberships are limited to five (5) paid service claims per membership year.
Family Memberships are limited to seven (7) paid service claims per membership year.
CANCELLATION OF MEMBERSHIP
Upon cancellation of membership, the prorated, unused portion of the annual membership dues, calculated from the date of cancellation, will be refunded within thirty (30) days. The cancellation of a membership automatically cancels the membership of the member’s spouse/designated household member and any family memberships. You may cancel at anytime.

GE Motor Club may not renew your membership by giving written notice 60 days prior to renewal date or may terminate your membership at any time with a minimum of 10 days written notice for excessive or fraudulent use of services.

In Wisconsin, excessive use of Club services is cause for non-renewal on member’s anniversary date.

MEMBERSHIP DUES
All membership dues provide for a full year’s coverage and there is no initiation fee.

MEMBERSHIP INFORMATION
For general membership information or to request Pathfinder® Personal Travel Plan service, just call toll-free 1-800-732-8600, Monday - Friday, 7 AM - 8 PM; Saturday 8 AM - 5 PM, Central Time (Hearing Impaired: 1-800-235-8737).

ROADSIDE ASSISTANCE
Call Toll-Free 24 hours a day: 1-800-732-8600
(Hearing Impaired: 1-800-235-8737)
This toll-free number may be used for Roadside Assistance throughout the United States and Canada.

FOR THE FASTEST POSSIBLE SERVICE:
When you call, be ready to give the following information:
1. Your membership number.
2. Location of disabled vehicle (town, state, street address, and/or closest intersection).
3. Description of disabled vehicle (year, make, model, color).
4. License plate number and state.
5. Type of service needed (tow, flat tire, jump start, etc.).
While you’re on the phone, we’ll dispatch a local service provider, give you their name and the time help is expected to arrive.

WHEN THE SERVICE PROVIDER ARRIVES:
1. Be with your vehicle, since they cannot service an unattended vehicle (however, if you cannot remain with the vehicle for safety reasons, we will attempt to provide service). Remember, Roadside Assistance covers you regardless of the vehicle you are driving or riding in. It does not cover your vehicle when driven by someone else if you are not present.
2. Present your membership card and driver’s license or personal ID. Service is provided subject to the coverage and towing options outlined on pages 7-11.

IF YOU CAN’T GET SERVICE BY CALLING 1-800-732-8600:
1. Call any service facility.
2. Obtain a receipt with the information requested on the next page (REPORTING A CLAIM; item 2.).
3. **Write your name, address and membership number on the receipt.**
4. Send us your receipt using the claim procedure described on the next page.

**DISPATCH GUARANTEE**
If we are unable to provide Roadside Assistance when you phone **1-800-732-8600**, we will reimburse you up to $260 for covered services you locate yourself. (Reimbursement for Lost/Stolen Key Replacement is limited to $25; Lockout Service is limited to $130.)
REPORTING A CLAIM:
1. Mail the original receipt, within 60 days,* to AARP Motoring Plan, GE Motor Club, P.O. Box 4440, Carol Stream, IL 60197-4440.
2. Please be sure the receipt includes the date, Service Provider’s name, address, phone number and type of service rendered. For your reference, we suggest you keep a copy for your records, as we cannot return original receipt due to auditing requirements.
3. Claims submitted without the original receipt or incomplete information will be returned for resubmission.

*No time restriction for residents of Utah and Wisconsin.

MAXIMUM REIMBURSEMENT
Charges for allowable Roadside Assistance services will be reimbursed up to a maximum of $130 per disablement (or $260 per disablement under Dispatch Guarantee).

REIMBURSEMENT
The GE Motor Club reserves the right to adjust or deny a claim when:
1. The amount paid has exceeded the maximum limit.
2. The service rendered is not during the term of active membership or is not included under the Motoring Plan coverage. (See pages 7 - 11.)
3. The claim cannot be verified through reasonable efforts.

HOW THE PLAN WORKS
The GE Motor Club has a network of contract independent (authorized) service providers. By calling 1-800-732-8600, you will receive all included benefits without any out-of-pocket expense. (See exceptions under “Towing,” page 8 and “Services Not Included,” pages 10 & 11.)
AUTHORIZED INDEPENDENT SERVICE PROVIDERS
Authorized Service Providers are independent licensed contract providers throughout the United States and Canada, who have signed agreements with the GE Motor Club to perform road and towing service for Plan members.

NON-AUTHORIZED SERVICE PROVIDERS
Service Providers that do not participate in the GE Motor Club program are usually more expensive. We recommend you always call 1-800-732-8600 first. If an authorized Service Provider is not available, then use the closest available Provider and send us your receipt for reimbursement. (See “Reporting a Claim” on page 6.)

TYPES OF VEHICLES COVERED
The AARP Motoring Plan offers full Roadside Assistance benefits to vehicles designed, licensed and used for private on-road transportation, including passenger vehicles; motorcycles; four-wheeled sport utility vehicles, light trucks, and RVs with a carrying capacity of up to 2000 pounds. Recreational vehicles and pickup trucks with more than 2,000 pounds carrying capacity, and all dual-wheeled vehicles, can be provided only with jump starts and gasoline delivery. (All other Plan benefits are available to members with these types of vehicles.)

ROADSIDE ASSISTANCE INCLUDES:
1. Road Service (roadside adjustment enabling vehicle to be operated under its own power):
   a. Vehicle Won’t Start. If your vehicle won’t start, the Service Provider will attempt to start it. If they can’t start it, you may choose one of the towing options listed in section 2.
   b. Flat Tire. The Service Provider will change a flat tire with your inflated spare. If you don’t have a spare, you may choose one of the towing options. The GE Motor Club does not cover the cost of tire repairs, installing a new tire on the wheel, or a second service call to return a tire to the disabled vehicle.
   c. Out of Gas. The Service Provider will provide an emergency supply of gasoline/diesel fuel (two gallons at no charge), or tow your vehicle to the nearest fuel station (subject to the towing options).
2. **Towing.** The Service Provider will tow your vehicle if it can’t be started or driven without causing damage. You may choose from these options:

   a. Towing back to the Authorized Service Provider’s repair facility.

   b. Towing by the Authorized Service Provider to a destination of member’s choice **within one-hundred (100) miles** of the disablement.

   c. Towing to a destination **more than one-hundred (100) miles** from disablement (other than the Authorized Service Provider’s): the first 100 miles of towing are covered by your membership. Towing charges beyond 100 miles must be paid by the member, (at our specially contracted rate) at the time of service and are not reimbursable.

3. **Winching.** When your vehicle can be reached safely from a normally traveled road or established thoroughfare, we will provide winching service to extract your vehicle from mud, sand, or a ditch. The cost of this service and any additional equipment, labor, or towing is covered up to a total of $130. Any additional costs are at the member’s expense and are not reimbursable.

4. **Accidents.** In the event of an accident, if road service or towing is required, the local law enforcement official on the scene will usually arrange for a service facility. If not, please call **1-800-732-8600** for dispatch of a service provider on a **cash basis**.

   **You will need to pay the provider for the services provided and submit a claim directly to your auto insurance company.**

   Road service or towing costs resulting from an accident are normally recovered through your insurance company. The service provided (road service, towing, clean-up) is submitted as part of your damage claim to your insurance company.

   **If the insurance company refuses to pay the claim,** send the refusal and the original paid receipt to AARP Motoring Plan, GE Motor Club, P.O. Box 4440, Carol Stream, IL 60197-4440, for reimbursement up to $130 per disablement ($260 under our Dispatch Guarantee).
5. **Lost/Stolen Keys and Lockout Service.** If your ignition key is accidentally locked inside the vehicle, you will be reimbursed up to $130 for the services of a locksmith. In case of lost, stolen or broken keys, you will be reimbursed up to $25 for key replacement and/or $130 for vehicle lock replacement. Pay for the service and send the original paid receipt to the AARP Motoring Plan, GE Motor Club, P.O. Box 4440, Carol Stream, IL 60197-4440 for reimbursement.

Note: Since our Authorized Service Providers are independent contractors and are not agents or employees of the GE Motor Club, the Club assumes no liability for any damage to a member’s vehicle resulting from the rendering of service or for personal items left in the vehicle. Any claims for damage to the property or person of a member must be filed against the servicing facility. The GE Motor Club cannot guarantee repairs, or that repair facilities will be open, the promptness of repairs, or provide more than one service call per breakdown. It is the member’s responsibility to arrange for repairs with the service facility.

**SPECIAL EQUIPMENT**

Roadside Assistance coverage includes one normally equipped service vehicle, one driver and one service call per disablement, plus any additional personnel or special equipment, up to a total of $130. Any additional costs are at the member’s expense and are not reimbursable.

**EXTREME WEATHER**

Under most conditions, our **1-800-732-8600** service provides prompt service. However, when weather or road conditions are extremely bad, we ask for your patience and understanding. If you cannot get service from **1-800-732-8600**, call any provider listed in the Yellow Pages, pay for the service and we will reimburse you under our Dispatch Guarantee up to $260. Emergency situations which involve a stranded member are given priority over a disablement where the motorist is in their home or office.
SERVICES NOT INCLUDED

Roadside Assistance provides service for most emergency situations but does not include:

1. Service if member is not with the disabled vehicle (however, if you cannot remain with the vehicle for safety reasons, we will attempt to provide service).

2. Towing or service while at an auto repair shop or service station, to another location.

3. Towing or service on roads not regularly maintained (including private property).

4. Repeated service calls for a vehicle in need of routine maintenance.

11. Service to vehicles which are not in a safe condition to be towed.

12. Service in areas not regularly traveled, such as vacant lots, beaches, open fields or other places which would be hazardous for service vehicles to reach.

VEHICLE REPAIR SERVICE PROGRAM

This program is administered by Sonsio, P.O. Box 17659, Golden, CO 80402-6027.

REPAIR REFERRAL SERVICE*

If your vehicle needs repairs and you’re not sure where to take it, simply call 1-800-732-8600 and we will locate the participating auto repair facilities closest to you and give you their names, addresses, phone numbers and hours of operation. Most facilities meet Automotive Service Excellence (ASE) certification and provide a warranty on their repairs. Terms of warranty may vary with the individual facility.

The GE Motor Club cannot guarantee repairs, or that repair facilities will be open, the promptness of repairs, or provide more than one service call per breakdown. It is the member’s responsibility to make the arrangements with the service facility for repairs. Repair Referral Service is available only for the types of repairs and services included in the Warranty Repair Service program.

*Currently, not available in Louisiana and Canada.
WARRANTY REPAIR SERVICE**

If your vehicle was repaired at a recommended participating repair facility and the same repair is required (within twelve months or 12,000 miles whichever occurs first) due to defective parts or workmanship, you can have it repaired again, at another authorized repair facility, and we’ll cover the costs, parts and labor, up to the cost of the original repair. You must be 50 miles or more from the original repair facility. If you’re within 50 miles of the original repair facility, check with them for the terms of the applicable warranty. If your vehicle is not driveable, you may use the Roadside Assistance service to have it towed (1-800-732-8600).

Only the following types of repairs and services are covered (subject to the exclusions): oil and lubricating minor services, tire repairs, front end suspension, alignment services, engine tune-up services, brake service, heating and air conditioning systems, electrical system services, cooling system, belts, and hoses.

Excluded: Engine, transmission, transaxles, drive axle/differential assembly, autobody, paint, and molding repair, as well as any repairs involving replacement or removal of internally lubricated parts, clutch replacement, and other major repairs.

This coverage applies to vehicles used for only ordinary, non-commercial use and that have received reasonable and necessary maintenance during the coverage period (twelve months or 12,000 miles after the original repair, whichever occurs first). Coverage does not apply in cases of deliberate abuse, accident, or alteration. Total liability under this program shall not exceed the amount paid for the original repair(s). Coverage will not extend to incidental or consequential loss of any kind.

To determine whether your repair is covered, call 1-800-732-8600 before work begins. You must provide the repair facility with a copy of your invoice or receipt for the original repair.

Repair facilities will be paid by Sonsio for any second repair performed on your automobile. If the facility will not accept payment from Sonsio, pay for the second repair and mail the original and second repair invoices to: Sonsio, P.O. Box 17659, Golden, CO 80402-6027.
Sonsio will reimburse you within 3 business days after they receive your claim.

Payments for authorized repair claims will be at full retail labor and repair rates not to exceed the cost of the original repair. Repairs that result from a breakdown within 50 miles of the original repair facility are not reimbursable; please check with the original repair facility for any warranty coverage.

**By law, this benefit is not available to Texas residents enrolled after December 31, 1997 and not available in California, Louisiana and Canada.

**VEHICLE REPAIR CHECK GUARANTEE**

If your vehicle breaks down and requires emergency repair work, some GE Motor Club Authorized Service Providers will honor your personal check (two per 30-day period totaling no more than $500) for repairs, parts, labor or road service and towing not covered by AARP Motoring Plan. Not all GE Motor Club Authorized Service Providers accept personal checks. Vehicle Repair Check Guarantee applies only at GE Motor Club Authorized Service Providers who accept personal checks.

**GUARANTEED ARREST BOND CERTIFICATE**

The Arrest Bond Certificate on the back of your membership card can be surrendered in lieu of a driver’s license or posting a cash bond in the event you are stopped for an ordinary traffic violation. The Arrest Bond Certificate ensures the payment by the GE Motor Club of up to $1,000** while traveling out–of–state (see exceptions listed below). We will return your membership card to you as soon as you repay the GE Motor Club for any money advanced to the court. The Arrest Bond Certificate does not cover arrests for driving under the influence of alcohol or narcotics, driving without a valid driver’s license or felonies other than manslaughter. While your Arrest Bond Certificate is accepted in most courts, the states listed below have special restrictions and requirements. For convenience, these states are also listed on the back of your membership card.
Members are liable for any bond forfeiture loss and must immediately reimburse the Motor Club for the full amount. Failure to repay the Motor Club for any money advanced on the member’s behalf for Arrest Bond is cause for cancellation. The Motor Club reserves the right to deduct any amount owed to the Club from any refund due to the member. The Motor Club will pursue legal action for the recovery of money advanced and not repaid promptly. State restrictions may apply.

*Benefit reimbursements are covered by contractual liability policies issued to the auto club.
**Not accepted in California and Colorado. Limited to $105 in IL, $200 in AR, IA, ID, KY, LA, MI, MS, NE, NM, OH, PA, TX, WI, $300 in AL, AZ and $500 in CT, MA, NJ, OK, WV.

AUTO THEFT DETERRENT REWARD

To help discourage thieves, we will pay a reward totalling $10,000 for information provided to the police by a private citizen (AARP Motoring Plan members, law enforcement officials and their families excluded), which leads to the arrest and conviction of anyone stealing a member’s vehicle. This can be an important benefit because a large number of stolen autos are recovered with the help of an eyewitness. Protect your vehicle by placing the enclosed reward decal on the inside of your left backseat window, next to the front door.

MEMBER EMBLEM

The enclosed window decal identifies you as a Premier member of the AARP Motoring Plan. Place the window emblem on the inside rear window of the driver side. Do not apply the emblem to a painted surface on your vehicle as it may cause damage to the finish.

Benefits and services within this handbook are available throughout the U.S. and Canada. Benefits eligible for reimbursement are reimbursable no matter where the incident occurred, whether inside or outside the U.S. and Canada.
